SHOE ECONOMY

Fine Shoe Economy should always be more concerned with Value than with Prices!

Our Good Shoes are always more economical to wear than the Poor, Uncertain "Bargain" Shoes, offered by so many Shoe Dealers!

Our Patrons buy their Footwear at this store, because it pays them to do so. It pays them in Dollars and Cents and in Shoe Satisfaction.

The Superior Styles we offer our trade are simply an added inducement that costs nothing. We believe in giving the Best Shoe Values at any stated price.

The November business meeting of the ladies and pastor's union will be held with Mrs. John Trow Thursday afternoon of this week at 2:30. Please remember to bring dues.

Miss Margaret Catto, a teacher in the Grovesville, N. J., schools, is passing several days in the city, having been summoned here by the death of her father, W. E. Catto of Franklin street.

Members of the city council are discussing informally a proposal to erect a public honor roll in recognition of the patriotism shown by Barre boys in the army and navy. No official steps have been taken as yet.

A. P. Abbott and E. A. Drown have gone to Essex county to join a party of Barre hunters camped there during the deer season. City Clerk James Mackay expects to pass a few days in camp before the season ends.

WILLIAMSTOWN

On Monday, the town, after its own early morning jubilation, adjourned to Barre to assist in the big celebration there. In consequence, the United War Work drive began yesterday, and the first day's subscriptions amounted to \$500. That is a good start, but we need more. If we all would give as one woman did yesterday, where it meant real sacrifice from hard earnings and yet was given gladly "for the boys who have done so well for us," we'd go away over the top and do ourselves proud. Give till it hurts. We can do it if we will.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

THERE is sentiment in every soldier's heart. It stirs at the sight of his flag—at the thought of home and as he looks again and again at the precious pictures of the home folk he carries in his pocket.

Make the appointment to-day.

HAVE DARK HAIR AND LOOK YOUNG

Don't Stay Gray! Nobody Can Tell When You Darken Gray, Faded Hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

TALK OF THE TOWN

By request, "The Gezzer of Berlin" will be shown again to-day at the Bijou.—adv.

Earl Smith and Ernest Davis are occupying their hunting camp in Orange during the deer season.

Seward W. Jones of Boston is registered at Hotel Barre while passing a few days in the city on business connected with Jones Bros.

Seaman Leroy Anderson, who has been passing a furlough with his parents, Mr. and Mrs. O. E. Anderson of Warren street, returned to Boston to-day.

During the illness of Mrs. C. W. Vancor, matron of the city farm, the aid-matronic property committee has arranged to have the children placed on the farm a few weeks as cared for elsewhere.

A number of children who were made homeless by the influenza have been living at the farm, although it has been the purpose of the charity department to provide more congenial surroundings for them as soon as possible. Mrs. Vancor's condition to-day was reported to be slightly improved.

The meeting of the Barre Woman's club last evening was under the direction of the educational department. A short program of patriotic nature opened the meeting, which was followed by an informal talk on child welfare work by W. H. Jeffrey, secretary of the Vermont board of charities and probation. This is a question with which community should become acquainted, not only for the welfare of the children themselves, but for the safeguarding of all. The speaker, outlining to some extent the large and serious problems which face the state along this line of work, proved himself in thorough sympathy with his subject and at all times held the interest and attention of his hearers.

A Real Remedy for Falling Hair

Here's good news for men and women whose hair is falling out, who are growing bald and have scalp covered with dandruff that itch like mad.

E. A. Drown & Co. or any good druggist can now supply you with the genuine Parisian hair liquid, which is guaranteed to quickly, surely and safely abolish every sign of dandruff, stop itching scalp and falling hair and promote a new growth, or money refunded.

Thousands can testify to the excellent results from its use; some who feared baldness now glory in their abundant hair, while others who suffered for years with dandruff and itching head get a clean, cool scalp after just a few days' use of this simple home treatment.

No matter whether bothered with falling hair, gray hair, matted, stringy hair, dandruff or itching scalp, try Parisian hair liquid; you will not be disappointed. It's a scientific preparation that supplies all hair needs.—Adv.

TALK OF THE TOWN

C. Baruffi, who has been making an extended stay in Milford, N. H., has returned to Barre to be employed in the granite industry.

About 30 young friends of William Riddell gave him a pleasant surprise last Friday evening at his home, 65 Pleasant street. An evening of jollification included refreshments of ice cream and cake and the playing of games that were delightful. Miss Lizzie Gray, on behalf of the company, presented the host a wrist watch, for which the latter expressed his thanks.

Among the people from out of town who were in the city to-day to attend the funeral of David Welch of Fairview street were: Mrs. Aurilla Predom, Mrs. Emma Generous and Miss Minnie M. Wood of Wallingford, Mr. and Mrs. Michael O'Grady of Berlin, Mr. and Mrs. Henry Welch of East Montpelier, Mr. and Mrs. James Welch of Northfield, George and Evander Welch of East Montpelier, and Rev. Fr. Joseph Turcott of Graniteville.

His honorable discharge from the United States army having been approved at Camp Upton, Private Joseph Puricelli of Prospect street is back home. The young man joined the colors several months ago, and while stationed at Camp Upton he had the pleasure of renewing acquaintance with his old company commander in the days when he was a private in the Italian army. Both soldiers, natives of the peninsula kingdom, were enrolled in the new American army. Mr. Puricelli received his discharge because of physical disability.
